

10<sup>th</sup> March 2023

**Easter Vacation Programme 2023 - TechLabs**

Dear Parents,

Please find below details of the ELA Basel Easter Vacation Programme, which will operate for the week of 11<sup>th</sup>-14<sup>th</sup> April 2023 for our current and alumni students. The children must **arrive each morning at Gartenstrasse by 8:30** and bring along a backpack, refillable water bottle, appropriate clothing and shoes. Snacks and lunches are always provided as part of the Vacation Programme fee.

**Basic Enrollment Conditions**

- Complete the registration form and return it to the office by **Friday 30<sup>th</sup> March 2023** to request enrolment. You will receive a confirmation invoice when the place is confirmed.
- Spaces for the programme are limited and will be given on a first-come first-served basis, as signed contracts are returned. Once places are filled, a waitlist will be created.
- Children must arrive at Gartenstrasse by 8:30 each day of the programme; however, they may be dropped at school from 7:30 onwards and will be supervised until the programme activities start.
- Pick-up from Gartenstrasse must be at 15:30 on Monday to Thursday, 14:00 on Friday, or between 17:00-18:00. Please indicate on the registration form which time you will be collecting your child.
- Attendance is required for the full week of the programme; there are no refunds for missed sessions or reductions for sessions not attended. No part of the vacation programme takes place at Wildensteinerhof site.
- The school reserves the right to adapt the programme if circumstances dictate this is necessary.

**TechLabs Week**

TechLabs is back at ELA Basel to provide the morning session for our vacation programme with their Jr. STEAM Medley program for ages 4-9 and their AR/VR Coding the Metaverse programme for primary school ages 10+. The AR/VR programme will be extended to ELA Basel alumni to age 14. Both are designed to bring the world of technology and coding to students. TechLabs provides the specialist tuition and will furnish all the equipment, including computers, robots and mobile devices. The programme will include up to fourteen hours specialist tuition, and will include a member of our own staff at all times.

Each TechLabs age group programme requires a minimum of 6 students to proceed, and places will be offered with the following priority: (1) current ELA Basel students, (2) ELA Basel alumni to age 14, (3) outside students of primary school age.

After lunch each day, our staff will take the student offsite to the various local parks.

### **Registration Form - Easter Vacation Programme 2023**

Please complete this sheet and return it to the office by **Friday 30<sup>th</sup> March 2023**.
